

**The  
Brush Man**™  
EXCELLENT SERVICE & QUALITY PRODUCTS

## **Distributor Terms and Conditions of Sale**

### **Prices:**

The Brush Man, LLC does everything in our power to hold pricing for the entire term of our published price list. However, on the rare occurrence that individual item pricing must be raised, we will inform you of a price increase via email, mail, and/or phone, and give you as much advance notice as possible.

### **Freight:**

Full freight is prepaid on individual orders having a net value of \$750 or more (unless other arrangements have been agreed upon), shipped to one destination within the United States via our carrier of choice.

All orders of \$1,000 or more will receive a 5% discount, unless other arrangements or special pricing have been agreed upon which stipulates otherwise.

### **Payment Terms:**

Net 30 days from date of invoice for qualified applicants, unless other arrangements have been agreed upon which stipulates otherwise.

If a customer's account becomes delinquent, it will be placed on credit hold. Orders cannot be processed until arrangements have been made to bring the account current.

### **Ordering Information:**

The Brush Man does not have a minimum order requirement. Please note, certain non-stock items or specials may require a minimum order amount as part of special contract pricing.

Most items must be ordered in standard package quantities or multiples thereof. We are able to break cartons on certain items – please contact our office for more information.

The Brush Man will never charge restocking charges. Please pay the return freight and reference your PO# upon its return. Unfortunately, all special-order items are non-returnable.

All orders received before 2:00pm are shipped the same day you order on all existing inventory.

### **Incomplete, Loss or Damage in Transit Claims:**

On shipments with a FOB destination, the Title passes from The Brush Man to the distributor when the carrier delivers the goods and the distributor signs from them complete and in good condition.

IF your order arrives incomplete or damaged, do NOT sign the bill of lading complete. Please contact The Brush Man immediately and indicate to us as such.
